

Make a gift to the Southern Maine Agency on Aging!

Since 1973 the Southern Maine Agency on Aging has been the area's premier resource on elder care choices and experts on the issues affecting older residents of York and Cumberland counties. Our mission is to ensure that older people, especially those who are frail, living alone, or have a low income, receive the support necessary to maintain their independence.

Your gift contributes to the diversity and vitality of our communities. Thank you!
